Attention: Vanessa Fordyce

Dear Vanessa,

The Peninsula Chamber of Commerce would like to express their appreciation to you and the staff at Ocean Beach NRMA Holiday Park for the sponsorship for the Brisbane Water Oyster Festival 2009. This contributed to the success of the festival, making it the best ever.

The festival was a great success bringing thousands of visitors to the Peninsula, some for the first time, to experience our community event and to showcase the beautiful Brisbane Water. This year, the entrants in the Queen of the Oyster Festival raised \$37,772.40 for Cancer Council's Pink Ribbon Event for breast cancer research which is a fantastic effort by our seven entrants. This takes our total over the past 4 years to over \$200,000 raised.

Miss Teneille Reeson of Empire Bay was crowned Miss Charity Queen raising nearly \$12,000 with her team at Centrelink Ettalong Beach and Miss Remmi Grainger of Umina Beach was crowned Queen of the Festival 2009 who raised just over \$9,000 with her team from Club Umina.

Please find attached copies of media and promotional material for your information. We have also supplied to your staff the data results from the survey forms filled out on the day of the festival. Next year we will be celebrating our 10th year and we look forward to Ocean Beach NRMA Holiday Park's involvement in another successful Brisbane Water Oyster Festival.

We wish you all and your families a very Merry Christmas and a prosperous and healthy new year.

Best Wishes

Matthew Wales
President
Peninsula Chamber of Commerce
